

Financial Conflict of Interest (FCOI): a Significant Financial Interest that has been determined by the MCW Institutional Official and/or the Financial Conflicts of Interest in Research Committee that the Covered Person's Significant Financial Interest is related to the Covered Award and is a Conflict of Interest (that relationship could possibly affect the design, conduct or reporting of those research outcomes/results).

Financial Conflict of Interest in Research Committee (FCOI-R Committee): a person or persons appointed by the Institutional Official to provide an appropriate review of disclosed SFI(s), make a determination of the SFI relationship of the Covered Person and the Covered Award (reasonable belief of a FCOI) and devise an appropriate management plan for all instances in which a Conflict of Interest has been determined to exist.

Key Personnel: The Principal Investigator and those project staff as identified by MCW in the grant application, progress report or any other report submitted to the PHS, and other employees who influence or are responsible for design, conduct or reporting of PHS funded research, whether or not they receive salaries or compensation, such that they might qualify for co-authorship on publications. Individuals who only provide clinical care or support to subjects in a research project do not need to be considered Key Personnel.

Industry Sponsor: The publicly traded or non-publicly traded entity that granted the award/contract and provided the funding.

Institutional Official (IO): MCW designates the Ases007 Tc
