

- E. The MCW MRI Safety Committee generates Policies and Procedures based on locally accepted standards and the internationally accepted recommendations of the American College of Radiology (ACR).
- F. The use of Magnetic Resonance Imaging (MRI) presents known safety hazards. Policies and Procedures have been developed so that employees, researchers, students, colleagues, study participants, and associated equipment remain safe in the magnetic environment.
- G. MRI Safety questions and concerns should be forwarded to the MRI Safety Committee: mrissafety@mcw.edu
